## Wild Wild West Week.

The week of July 11<sup>th</sup> is Wild, Wild, West Week and we plan to round up all kinds of fun! A company called "The Pony Express" will be here on Wednesday July 13<sup>th</sup> with ponies to provide a fun, exciting and memorable picture experience for all the children. The company provides authentic looking western backgrounds and they provide the children with colorful western outfits to wear as they capture the moment through photography. You are under no obligation to purchase when they return with the pictures in about a week. Make sure you child is her on the 13<sup>th</sup>.

## Fall Registration

Summer has just begun and we are already getting ready for the fall. Our classes will fill fast, so if you have a sibling at home that you plan to enroll this fall, be sure to pick up a registration packet before the end of the month. Our classes are staring to take shape and we want to be able to hold that space for you. AND, if your preschooler will leave us for Kindergarten soon, remember to give us notice at least **two weeks in advance** of his or her last day. Our Foothill Kindergarten has openings. See Arlene or Katie in the front office for more information.

## Summer Olympic's Week

Do you participate in a group sport? Do you like to run or hike? Were you a high school team sport player? Please spend some time with us showing us your skills during the week of July 25 - 29<sup>th</sup>. We want our kids to be active and your example will go a long way (not to mention the fun we'll have). Just let us know when you can stop by.
